**Subject:** A husband and fathers command

Render,

Since this applied to you directly, I am sending you a copy. I request that you do not attempt to supersede my authority in my family.

The text below is also at <http://kozlowski.org/Heartbreak,Command>.

# A husband and fathers command

It is my duty as husband and father to protect my family as best I can see fit. There have been destructive influences on my family from particular people and it is clear that I must act as a shield between those people and my family.

**Therefore, to my wife and children I issue the following command: You shall have no further direct communications with the people listed below. All communications with them shall only be through me. This will continue until a fitting restoration has occurred.**

I acknowledge that under the current circumstances I have no way of physically enforcing this command. However, in willfully disobeying my direct command my wife will be in further violation of Ephesians 5:22-24, etc. and my children of Ephesians 6:1. May the Lord be the judge!

I also implore all who are supportive of my family not to attempt to supersede a husband's and father's authority.

## Jim Cross and due to association Madge Cross

Jim Cross has [aided and abetted](#) my family in an unlawful separation. When presented with scriptural arguments he has only responded by saying they are misguided. He has offered no sound rebuttal.

## Render Caines and due to association Linda Caines

Render Caines has often replied to my written communications with a demining tone. He has referred to my scriptural arguments as sophistry, but offered no rebuttal. It has been demonstrated that we have many disagreements on the applicability of many passages of scripture to our lives today and I cannot allow these conflicting views into the lives of my wife and children without my council.
