Chris,

Thank you for your reply. It fails to address “repent from what?” I’m afraid you are treating me as condemned before hearing the case. I thought you would do better than that. May I remind you of Proverbs 18:17 *“The one who states his case first seems right, until the other comes and examines him.”*

I suggest that the closed door I have received is akin to the treatment of an ex-Jehovah’s Witness or Mormon. There is no contact or communication. Has the PCA turned into a cult?

I have contended from scripture. My rebuke is silence or slander, even from pastors with doctorates. Do you think this would cause some bitterness in me?

I welcome your communication. I hope you can see that your initial response disappoints me and seeds an anger that I don’t want.

Respectfully,

John Kozlowski

John,

You asked if I would be willing to communicate with you to help you understand. Until there is repentance explanation will not help you understand; once there is repentance explanation will not be necessary.
