DJ,

I often listen to James White and his Dividing Line program. His stand on Islam is very close to mine and he has been very enlightening on the Bible translation process and the meaning of many Greek words. He gets a lot of criticism on his stand on the sovereignty of the Lord and I stand firmly with him on that. There are some issues that I am not on board with, but that should be considered normal for all who think.

This evening I watched his program titled "Ethnic Gnosticism and the Gospel" (<https://www.youtube.com/watch?v=qwLsVZ2Yir0>). I recommend it and ask you to consider it.

Look past the race issue and see us in it. I hope you can do so. At the 49:10 mark he says: "Who really loves him, the one who will tell him the truth or the one who excuses it?" I love you! I hope you understand my point.

Consider our kids and what they have been setup for. I have done some study on things like the drive toward a monoculture and how it is used to destroy the family. The black family has been extremely hard hit, and so has ours. Perhaps this does not have to be. I'm willing to work on that. Would you be willing to work with me on it? Shall we love our kids together?

The other thing to note is how James White has been attacked viciously and often by anonymous cowards. The attacks are done so there is no rational dialog; there is no way to refute it. He argues from Scripture on so many issues and is simply called names. Does this sound familiar? I have laid out Scripture about our family and what is obedience to the Lord. I have been libeled by cowards who will not defend themselves to me. I suggest the problem they have is not with me but with the Scripture.

Please consider a dialog on this. I will offer this email in video form.

I love you!
