Jack,

It is a joy to hear from you.

The issue of women is difficult. They will rip your heart out. The Lord calls us to a very clear role. It is very hard. Do it anyway. Seek the Lord first as He makes it clear what you should do.

In May, shortly after my move, I did a video "Kozlowski-2016-05-28+3;**Where you will need to contend**". There are numerous copies of it in Lexington and you should have no problem finding it. Zadok received a USB drive for his birthday that has it. Please consider watching it, perhaps with your siblings and your mom. I suggest it offers thoughts that you should deal with now in your life. It would be a joy to discuss it with you.

As long as I have breath, I will try to remain available to you. Please feel free.

I love you!
