Subject: RT vs CNN - A serious challenge to my family
Importance: High

Family,

I have talked many times about the boy in the orange chair. You can see him below, now and then. He has been used for propaganda for almost a year, and now RT has challenged CNN to go to Syria and meet the boy and his dad to find out what really happened, and then to tell the world.

S. KOREAN MILITARY: NORTH FIRES MULTIPLE GROUPS

RT has gone public with this challenge and I am encouraged to do the same. CNN has promoted a lie to the world and it has hurt many. I see little difference in our situation. So as the attached video explains, I intend to do just that. We are at almost 5 years and I remain fully committed to my wife and family, irrespective of the response I have been given, or the lack thereof. I am committed to following the Scripture, and it is clear, Dorothy-Jane remains my wife or she is an adulteress. I pursue her as my wife as I have no other option.

Let's all follow the Lord we all claim to follow. His command to us is clear and unambiguous, and I was very clear on that with the "Naming Names" video.

As stated, I come as one foul sinner to all of the other foul sinners that I call my family and extended family to pursue reconciliation as the Lord requires. Please lower the barrier of communications and let's privately reconcile.

Otherwise it seems it is time for me to shout from the rooftops. The PCA, Meadowview's pastor, my father-in-law, brother-in-law, and my wife are practicing shunning. I will loudly practice love. Love contends. Love corrects. Love offers mercy. Love should be shared.

Please share this with those involved. It would be appreciated if anyone responds.

The Syrian boy has a great smile now. Let's have reason to do the same.

I love my family, especially my wife!
