George, Susanna, Gloria-Jane, Walter, and Zadok,

I have been trying to talk with you for almost a year, but we are now over 220 voicemails. I hope you can understand that I am disappointed and concerned.

I am asking for each of you to respond separately to my email to the following questions. I need to know if I am getting to you. I want to reopen communications or have evidence to present my case that what is happening is in contrast to the commandments of the Lord.

Irrespective of a response or not, I want to remind you of the short video I did in April. It exists now on Distinctivist and the Family site at: <http://distinctivist.com/2017-04-27> and <http://family.kozlowski.org/2017-04-27>.

Question 1: Do you know that your dad has been trying to reconcile his family for over 5 years?

Question 2: Do you want to pursue with me a reconciled family?

I expressed my understanding of Gal 2:14 in <http://family.kozlowski.org/2017-06-24>. I am preparing to live that out. To be very upfront, by asking you to respond I suggest this will either open the door of communications that has been resisted for years and most strongly in the last year, or it will provide more weight to the arguments I am preparing to set "before them all".

You see I love my wife and my kids. They are in a difficult situation and I need to love them. If you were swept off a boat into the sea, don't you think your dad would jump in after you to try to rescue you? Please consider that analogy as things unfold in the coming weeks.

I love you all. Please respond!

*John Kozlowski*
