Subject: In the mountains, calling is difficult

DJ,

I'm in the mountains, and there are issues with Internet access. Since I normally call with my Skype number, and it is unreliable right now, I will skip the calls this week.

Issues have come up in the Leonard family and I am trying to be flexible with them. I want to do what I can to love them as they address issues with other family members. This is the role model I want to set before our kids. Do you agree?

Hopefully I will resume my attempt to communicate with our kids on Monday, and continue my attempt to encourage them that the Lord commands us all to reconcile.

I love you,
I love you,
I love you,

Your Man
