DJ,

My understanding is that our kids do not get to see the videos I have sent. Please allow them to do so with the attached video, especially Walter and Zadok.

I love you. I hope one day that will again be shared.

Walter, Zadok, and all,

There have been recent joys and trials. You have been on my mind during that time. It is my desire to encourage you to be “strong and courageous” and to follow the Lord. It is my hope you will be encourage by the video.

Please remember that I love you!
