Dorothy-Jane,

I hope you will find in the attached video is that the man that loves you most is this world, the man that is trying to do good for you, is me. I love you and remain wholly committed to you!

Jack, Isaac, Julia, George, Susanna, Gloria-Jane, Walter, and Zadok,

As before I did this on video so my younger kids especially can see their dad and hopefully all of you will see a man who loves you. It may be a hard statement, but I contend you will see more love for my kids in this video that you will see love towards my wife by her dad.

Mr. Cross,

I was challenged on the "**stomp you**" statement highlighted below from an email exchange between the two of us that you can find fully at <http://family.kozlowski.org/Email-2017-09-03+2>.

"I'm sure you would agree that had the state been involved in this decision it would have broken the stalemate between DJ and you in favor of allowing the surgery. And, for your further consideration, the surgery has done wonders for George's cognitive thinking and physical well being. Would you really have wanted to deny him that?

*Do you really want to get onto health issues with me? I am a vivid example of what getting off of factory food and the industrial medical complex can do. From skin issues to heart failure symptoms, it is clear that medical care is not our friend. Evidence abound that issues, including what George and Jack have experienced have greater chance of full recovery in diet alone than medical intervention. You should first do some study of the history of Rockefeller medicine before you go down this trail. I will **stomp you** on this. Let's stick with the Scriptural issues instead. At least I hope we have the same source on that."*

It is my sincere hope that you will find my effort in the video as one fallen man appealing to another to reconcile and love each other and our families. I'm sorry that it went a bit over 20 minutes, but I just watched it at 1.5x speed and it remains clear.

Reconciliation is the only option the Lord gives to those who claim him. I remain at the table. **Please join me.**
