My Lady,

I understand you might not get this, if you do you will probably ignore it, and in either case I will not be informed. I did not send a card, since all that have been sent go unacknowledged and it is questionable what actually is opened.

However, as it is Valentine's Day, I do want to remind you that it remains me who loves you most and will not turn from you. I am here for you and will remain so for you alone all of my days.

Dorothy-Jane, My Lady, I love you!
