George,

As a month ago (Mon 6/4/2018 7:20 AM) I got the ties out immediately and have set your two choices aside to mail to you. I have a busy week with a new store and some other issues, so it might be next week before I get to the post office. But you should have it by your birthday!

I love you George!

Dorothy-Jane,

It is interesting timing that you mentioned the campaign. Last night I was on a nationwide conference call and was one of the three third parties that got to speak. They were after political goals and had a Christian aura. I brought up specific Scriptures and asked for their understanding. The challenge was not well received. Does this sound familiar? However, it did put <http://Kozlowski.org> on a larger stage and there has been some subsequent dialog. Dialog: what an interesting idea!

The online effort is maturing. This morning I sent a video birthday message to Tirzah and sent it via email. However it is also at: <http://kozlowski.org/2018-07-02+1>. If you want to see where I now live, there it is in the background.

ErikaLeigh asked for the 2002 dance and it is online at: <http://kozlowski.org/2002-08-28>. It is especially great to see Julia in “**Did You Feel the Mountains Tremble?**” <http://kozlowski.org/2002-08-28+23>. Then there is <http://kozlowski.org/2002-06-16> from that year.

I have made a lot of mistakes in my life, but the Lord’s grace has been marvelous.

The next opportunity you have with our kids, please read to them **Mark 13:1-13** noting especially the last two verses. Explain to them why that does not apply to our family and keep me from offering a challenge because **Proverbs 18:17** is Old Testament and does not apply anymore.

My request is serious. The next line is obviously sarcasm.

You know me well. You know that I will endure as long as the Lord allows since we are required to “*endure to the end*”. My love for you has only grown, even while you shut yourself and our kids from me. I’m here and I’m not giving up.

I love you!

Hi John,

George came across a picture that was taken during your campaign when you were preparing to submit a picture to the paper, and it reminded him about the ties.

He asked me about it, and I offered him the picture and text again. He chose both the first and the fifth. He is especially excited about having #1.

On behalf of George, thank you.

Dorothy-Jane
