Subject: THE CHRISTIAN CHURCH: DISTORTED AND DEFORMED

Family,

I have continued reading "THE CHRISTIAN CHURCH: DISTORTED AND DEFORMED" at <http://www.wickedshepherds.com/TheChristianChurchDownload.html> and I highly recommend it.

Over the past few years my study has shown that the institutional church is a fraud, there is no call to tithe, as followers of Christ we are to be clear, bold, and open ("Parrhēsia"), that the elder is someone who is older, the difference between rule and lead, we are not to be called teacher, and other things. You can find all these things in what I have written and in the videos. As I am reading the document, all these things are there, plus even references from Scripture and early writers that expand on these concepts. So it is not just me!

I highly recommend you put this before the intuitional church leadership, and in particular Jim Cross, Render Caines, and Chris Bitterman. Be very clear, if this document and I are correct, these men are deceived or deceivers. If they are deceived, love them by pointing them to the truth. If they are deceivers, run!

If the document and I are wrong, can you make the case from Scripture? Do you have enough love for me to show me my error?

They also have a few short videos at: <http://www.wickedshepherds.com/TheAnimationRoom.html>.

They are not very good, but they do make a point. Do you see Jim Cross, Render Caines, and Chris Bitterman in the second one? It would be a joy to see my wife in the fourth.

Please remember, as the evidence is clear, the three gentlemen I mention I am striving to reconcile with. I want them as brothers sharing the joy of the same Lord. I ask for that.

Remember also what will happen to these men if they become convinced that the institutional church is a fraud. It will take their life's work and crush it. They will need to be shown respect and love for what they attempted, and even more for their repentance. **Don't take this lightly.**

The bottom line is if you go to an institutional church next Sunday think hard about what I write. Is what is set before you a fraud?

Chris Bitterman has asked that I not contact him. If you see fit, please share this with him.

I love you. I hope you see that I wouldn't continue to point this out if I didn't.
