Charlotte,

It is wonderful to be a one-year-old, and it will be the same being a three-year-old, but there is something very special about being a two-year-old. This is YOUR year. Make really good use of it as it is your only chance.

Opportunities will abound with your younger brother James, and there will be many opportunities to do silly things and be able to get away with them while people think it is cute. DO IT NOW while you can!

Then don't forget the joy of the embrace of your mom or dad. You are a nice neat and convenient size for them to hold. Again, make use of this time!

I love you. May the Lord bless you! Happy Birthday!
