Dorothy-Jane,

Because I still like to talk with you, even when it is only one way, and because I want to set an example of open communications, I will let you know about the call.

Perhaps you already know about this, but it appears Wachovia is trying to collect a debt from 2009 while we were in Woodville. Over the phone I was not able to get what the debt was, but just an amount. It was pay or we will take you to court.

It was very cold, non-informative, and overtly threatening. It seems like the way you have been with me. You have been cold, non-informative, and used the law to threaten me. I was told to expect the police at my door within the next 24 hours with a court summons if I don't pay.

Is this like Chris Bitterman thinking a man overtly trying to reconcile him is a death threat? It seems the Lord's ways would be much better, such as speaking clearly, openly and boldly. But at least this time I expect the police to bring something in writing, rather than just a verbal warning. Perhaps the reason the police representing Meadowview had nothing in writing is that seeking reconciliation isn't against even state law. That would be consistent with Gal 5:22-23, but then it was you that twisted Gal 5:1 and the man who loves you tried to offer correction. Perhaps the person who violated man's law is Chris Bitterman or his surrogate? But he has nothing to fear from me as I have read 1Co6, unless the Bible is true and violating Mat5:24 is an issue.

Dorothy-Jane, please remember me, the dad to your kids, the man you committed for better or worse to spend the rest of your days with, the man who is trying to reconcile his family, and it appears the only man around you who is looking to the Lord first, rather than the state or the Talmud for guidance. Please open your eyes and see who really loves you. It is me, the one who is in constant appeal to the Lord for your blessing. I am the one seriously in love with you and by the Lord's definition should be at your side. Please remember that. It would be to all our family's blessing to live it.

I love you and I want you back!

Because I want to improve the odds that you might one day see this email, you can find it at:

Dorothy-Jane,

This was a very cold email. What happened to the woman I fell in love with that shared with me the joy of being a follower of the Lord Jesus Christ?

A gentleman from Argentina, Gonzalo, is about to arrive at my door. I will be spending some time with him. It may be tomorrow before I can find out about the documents you are referring to.

Being from a law office, please allow me to remind you of 1Co 6:1 *“When one of you has a grievance against another, does he dare go to law before the unrighteous instead of the saints?”* You can find that in the Bible, but it seems that doesn't matter anymore to you or your dad. But then there is the Lord's grace. It remains my prayer that we can share that again.

I love you!
