Jack,

It is my joy to wish you a Happy Birthday and to claim you as my son.

The video below is attached in this email. You know me, I had to.

In the video was a brief description of my wonderful dialog with two Mormon missionaries and another Mormon lady. We did not see eye-to-eye, but had a delightful conversation. I welcome that with you.

Jack, I love you. Happy Birthday!

Happy Birthday Jack, my son
