**Subject:** Response from George - DVDs

Family,

On Nov 26, 2019, ten days ago, I got an email from my wife containing a letter from George. The content from George concerned me greatly. Considering there are already over 800 voicemails online, it should be clear that I have been attempting to contact George and his siblings for a long time.

A response was sent to George in video form, and several more followed. A response was also sent to Jim Cross, and several direct to my wife.

There has been no further information about George provided to me.

It was very cruel to me to send the email and then remain silent.

There is a barrier to communications and I need to break through. So to whoever gets this, considering I am probably blocked by my wife and Jim Cross, please let them know that the current plan is to put the recent videos to George, Jim Cross and my wife on regular DVDs and send them out to a list of people from Covenant Presbyterian, Meadowview, and the Cross Clan. This can be avoided if a simple dialog occurs. I ask for that dialog.

I love you all, and clearly I have not given up on reconciliation.
