Tirzah and Family,

You have been very distant in more ways than one for a long time now. My assumption is that you have grabbed onto the desire to have credentials in this world so things will go better for you. I hope you find what I have stated in the video as something worth considering on that.

You once contacted me at a difficult time for both of us about money. Please feel free to contact me on anything. I remain your dad and will not turn from you.

I love you all!
