Jack and Family,

It is common when issues become serious for the dialog to become vague, soft and fluffy, or rude and name calling. This is my effort to you to rather be open, clear, unambiguous, and most importantly loving in what is said. I hope you find that true.

As I hope you will clearly see, I will not endorse abandonment of the Lord, but I will as best I can, offer love, pursue reconciliation, and be there for you as long as the Lord allows.

So you are aware, because I know others have been impacted as our family has, this video is being shared outside the family. It is my hope that others won't necessarily see my love, but the Lord's love.

I love you all!
