Family,

I wonder how my family is reacting to the dreaded pandemic. Do they live in fear and turn to the state or trust in the Lord?

In the attached video I mention Mark Fairley of the Fuel Project and his video “**Coronavirus - A Four-Point Christian Response**” <https://www.youtube.com/watch?v=6jn7vRXXBi0>.

I recommend it since it doesn't come from me, so you might find some credibility in it.

One of the things that I have not seen mentioned yet in all of the hype is the underlying reason for the “lack of enough hospital beds”, the people dying in the hallways, and the need to “flatten the curve”, is when people live as the Lord designed, in families, when people are sick they are taken care of at home by family. It is not that then the whole family then becomes sick, but like the chickenpox or measles parties of years ago, those that are healthy become even more so due to their exposure and building an immunity. Sounds like a health version of Proverbs 9:9 “*Give instruction to a wise man, and he will be still wiser; teach a righteous man, and he will increase in learning.*” The medical community knows this, but does not want to apply this as then there is no need for them, there is no control that can be taken, and it hurts their pride.

Then there is Psalm 91. Do you understand my comment about the last verse?

I love you all!
