My Lady, and Family,

This was the hardest video to do and a bit of clumsiness might show.

On December 30, 2016 I did a video to my wife “**I have something of yours**” (<http://Family.Kozlowski.org/2016-12-30>). It was an attempt to show my continued desire to reconcile with her.

You can see a similar theme when I have described my moves (<http://Family.Kozlowski.org/Family,Move>). My heart has remained steadfast.

It was hard on August 13, 2017 to do “**Are you my wife, an adulteress, or dead?**” (<http://Family.Kozlowski.org/2017-08-13+1>). But even then, the statement was that I was pursuing Dorothy-Jane as my wife.

I really had no need to consider how the Lord defines marriage because I felt confident in my wife’s commitment to me, and mine to her. However, that turned out not to be the reality. So I have studied the subject in depth and can now state with confidence and can back it up from Scripture that marriage begins with sex and ends with death. It is rather simple.

The video gives an attempt to express that concept from Scripture and gives a lot of the relevant verses. But again, it was an uncomfortable subject as I live my life in hope of reconciliation with my wife, but with the assumption of her being an adulteress since her dad has stated she is free to do so. This is not a joyful position to be in.

So the case is laid out, but the focus remains in the hope that my wife and I will reconcile. This is my constant prayer. I wonder if it is shared. The only evidence I have is that it is shared by George, but the evidence is that he doesn’t know my desires as he is being shielded from me. George, your dad loves you and is trying to reconcile the family as you stated.

I did go to 24 minutes, so only the audio is attached. But two sets of DVDs scheduled to go out tomorrow. Others soon. Anybody want some?

I love you all! And as you might assume, I am especially in love with my wife!
