Family,

In reviewing yesterday's video I wondered if you would wonder why not providing enough money for my family wasn't mentioned. So that was somewhat addressed today. While it might not make sense about a guy making a bunch of mistakes in trying to have the things of this world and being obedient to Christ since that last part seems not to be shared, but the video gives you some thoughts on that.

The audio is attached.

It has been a long day, so I will leave it at that, EXCEPT to mention again, please tell my wife I love her!
