Family,

I had a wonderful dialog on the sovereignty of God today that would have been even more wonderful to have shared with my family. Perhaps one day, at least with some, we can share that joy!

From what I am guessing a movie came out some years ago titled My Name is Paul, as I was referred to it. I looked at the trailers and that was enough for me. I have lost interest in movies but would rather engage in serious dialog as it brings a mutual joy and encouragement.

But some things were important about what was suggested, so I hope you will spend 10 minutes with the attached video

I love you all. And of course, please remember to tell my wife I love her!
