Charlotte,

In the attached video you will again see you granddad ~~punish~~ bless you with wonderful music and a joyful set of unique lyrics that you might hear more than once today.

I jokingly stated that the neighbors would call the police and I would be taken to the loony bin. Obviously it did not happen, but they did complain that they had trouble digesting their breakfast and the paint came off the walls inside their house. So I do have an impact.

Perhaps the best part is the rooster crowing at the end. At least he survived!

I love you! May the Lord grant you intense joy this day and the year to come!

Granddad
