Family,

Today John 6 was discussed and the question of Monergism versus Synergism. But the real focus was what it is to follow Christ. I have watched it twice and am convinced to put at least the recent videos on Bitchute, Brighteon, and YouTube.

I have been planning for many months to make it clear that these videos are public domain and you will see that now in the intro. The timing of this is simply I finally remembered to do it, and has nothing to do with the content.

Please consider what is said and if it is an accurate exposition of Scripture. If so, and you also agree that Scripture is what it claims to be, then please share with me in that joy.

I love you all. I heard some news about another family today that brought great sadness. In that sadness I was also reminded of the woman I love. Please tell my wife that I love her!
