Family and especially My Lady,

I did a 10 mile hike today and part of it was on the Greenway where there were a bunch of families with young kids. It was a reminder to me about the fact that I have young kids, and they are not as young as the last time I saw them.

So I did a video that was supposed to be real short to again open the door of reconciliation. It didn't end up short since it is an area of interest to me. If you think it is too long, please at least consider the last third. It is not fluff.

I'm not giving up. Someone please tell George that since he did reach out to me, I have reached back. Perhaps you could also inform Susanna, Gloria-Jane, Walter and Zadok of the same.

I love you all. Please tell my wife that I love her and want her back!
