Family,

I have been thinking for months about the story of Hezekiah and what I contend is his failing after a life of trust in the Lord. I was going to write you about it, but I did it in video form. It is only 7 minutes and attached. I hope you are encouraged by it and find it an act of love.

Speaking of love, as I was preparing this, love was shown to me from my Mormon friend in Utah. A remarkable contrast isn't it?

I love my family, most notably my wife!
