Susanna,

Yes, I did that painful thing again and sang happy birthday to you. It is in the attached video and online at:
<http://kozlowski.org/2022-04-07+1>

This is a celebration of you as my girl, but also an emphatic plea to you to follow in obedience to Christ. There is no evidence that that is lived before you, but it remains my hope that you will do so all the days of your life. You are not just “a” girl, but “my” girl. I’m biased and my love for you is ever present, even when my reaching out to you is blocked.

Feel free anytime to write, call, or even come by. You may remember hearing “my home is your home, and I will never cast you out.” That remains true today.

Life will have difficulties, but the Lord is ever present. It is my prayer that the Lord is holding you fast.

Susanna, my girl, happy birthday. Your dad loves you!
